Competitors participate in the regatta entirely at their own risk. See Rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during or after the regatta. NOTE: It is ultimately the responsibility of each individual skipper to participate or not - all factors, including weather, should be considered in the decision to race or continue racing.

I agree to be bound by The Racing Rules of Sailing and all other rules that govern this event. I agree that I am participating in this regatta entirely at my own risk. To the fullest extent permitted by law, I hereby waive any rights I may have to sue the race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other official or agent) involved with the event with respect to personal injury or property damage suffered by myself or my crew as a result of our participation in this event and hereby release the race organizers from any liability for such injury or damage before, during or after this event.
